

re : Sears Holdings Corporation Case No: 18-23538 - notice of rejection of executory contracts Proof of claim no: 10388

To Whom it May Concern,

Herewith I would like to object to the "rejection of executory contracts" for Proof of claim no: 10388,

The factual basis for the objection is that I was fired 1 week before the ch11 filing of Sears Holdings and haven't received any severance payment.
